

LUND
UNIVERSITY

Department of Design Sciences
Division of Industrial Design

AGREEMENT

regarding training placements for students at the Master's Programme in Design

§ 1. PARTIES

An agreement has today been entered into between:

Lund University, Department of Design Sciences, Division of Industrial Design,
hereinafter referred to as the University, and

.....,

hereinafter referred to as the Company,

regarding a training placement for a student at the Master's Programme in Design
at Lund University, and

.....,

hereinafter referred to as the Student.

The following conditions apply.

§ 2. CONTACT/SUPERVISOR

The University will make the following persons available for the realization of the
agreement:

Contact:.....

Supervisor:.....

The Company will make the following persons available for the realization
of the agreement:

Contact:.....

Supervisor:.....

The contacts named above have the authority to represent the University and the Company in matters pertaining to this agreement.

§ 3. ASSIGNMENT

The Student and the Supervisors from the University and the Company have drawn up a plan for the assignment.

§ 4. CONFIDENTIAL INFORMATION

The Company is aware that the Student is studying at the University and that this placement is intended to result in a report which will be published and presented at the University. The Company shall make clear to the Student which information is to be regarded as confidential, and ensure that the Student is aware of how this information is to be handled.

The above is not applicable to information that is, or has become generally known, or that the Student and his/her Supervisor, or any other employee of the University can demonstrate was in their possession at the time this agreement was signed, or that they had authorized knowledge of independently of the Company, or that must be disclosed as the result of law or a court order.

§ 5. RIGHT TO THE RESULTS

The Student, the University and the Company have the right freely to use the report resulting from the placement. The Company shall be afforded an opportunity to submit a statement on the report before it is presented for examination. The Company shall have a period of fourteen days from the receipt of the preliminary report to issue a statement on its contents.

The Company is entitled to use any other results arising from the assignment. This may not, however, affect the rights regarding the report.

§ 6. LIABILITY

The Company is aware that the University is engaged in education and research and not in commercial activities. The University bears no liability for the assignment leading to any results. Further, the University has no employer's liability for the Student and the University undertakes no responsibility towards the Company for the Student's performance of the assignment.

The Company is aware that the Student is studying at the university, and can, therefore, not be expected to have the experience or knowledge normally expected of, for example, a consultant. The Student undertakes no responsibility towards the Company for the results of the assignment.

The Student is covered by insurance through the University. The insurance includes personal injury protection and travel insurance.

The Company will indemnify the University or the Student against claims for damages which may be made by a third party regarding personal injury, material damage, or any and all other kinds of damage.

§ 7. MODIFICATION OF THE AGREEMENT

Modifications to this agreement will only be valid following the written agreement of the parties involved, signed by authorized signatories for the Parties.

This agreement has been drawn up in triplicate, each party retaining a copy.
